ITRECYCLES

Building a Sustainable Future

WHY WORK WITH US?

- ✓ Certified Recycler for Lab, Medical and IT equipment;
- ✓ Eco-friendly Asset Management and Disposition Services;
- ✓ Low Transport and Logistics Costs;
- ✓ Hardware resale and value recovery programs for a greater ROI.

ABOUT US

ITRecycles was founded with the aim of helping businesses repurpose their assets. We confidently comply with all the industry standards and regulation requirements. This makes us an extremely dependable Assets Management and Recycling company. To ensure we always offer our clients an optimum level of security and confidentiality during the repurposing and recycling process, we are ISO9001 certified and we follow all industry ITAD standards.

CIRCULAR ECONOMY

We aim to reduce waste and avoid pollution.

DATA DESTRUCTION

DoD Industry standards for secure data sanitization.

REPORTING AND AUDIT

Asset Auditing and Reports throughout the entire process.

ASSET RECOVERY

Asset remarketing, charitable donations and redeployment.
